Signs of Spring

The signs of Spring are in the air. There are Spring flowers and plants up everywhere outside. There are squirrels and chipmunks frolicking in the yard. There are birds singing and chirping outside the windows in the mornings again. Most of all the temperature is warming up.

Our residents are keeping busy with Bingo, arts and crafts, colored pencil art, exercise and games.

We have planted seeds for our container garden and we have sprouts up already. We have new Spring decorations that we made for our Dining Room.

Thank you to Lena's Pizzeria in Blissfield for donating Pizza Kits for our residents to make their own pizzas. Thank you to families, friends and our whole community!
