Warm weather is here!

The warm weather has arrived just in time for June. This month we celebrate Father's Day. We also celebrate The migrating birds returning to our area. There are many things for which to be thankful.

Now that the warm weather has returned, the residents are getting outside and enjoying the fresh air and sunshine.

Take a look at our new weekly calendar with expanded activities. If you have not done this, check out our Face Book page. If you have any questions, the quickest way to get an answer is to call us at (517)682-1500. Our staff is available 24 hours.

Religious Services

During the situation with the Pandemic, our religious services are being offered online. It will be this way until the restrictions are lifted and our Baruch Leadership opens things back up again.

Ryan Hoekstra, our Baruch Chaplain is an essential employee. He will be coming June 12th at 9:30 am to do Devotions with the residents.
