## Resident of the Month

I would like to introduce Sally Ziegler to you for our August resident of the month. Sally was born July 23<sup>rd</sup> in Denver Colorado to Jay and Helene Short. She had one younger brother Jack. Sally has a special memory of a time when she was about 5 yrs old. Her grandpa was building a home on Devil's lake and she was given the 'divining rod' to find where the water was for the well. It was an experience she will never forget. When Sally was 18 she married the love of her life, Loel Ziegler. Together they had 6 children: John, Jaynee, Jill, Joe, Jeff, and Jerred. Sally and Loel loved to travel together and they enjoyed 51 years together before he passed away at a young age of 69. Sally was a school teacher for many years. When she was in her 50's she decided to tackle the challenge of getting her master's degree. You could say Sally was a lifelong learner and loved to be a part of education. She has a long line of teachers in her family including her mom and some of her children. Sally is also a lover of music and she speaks lovingly of her mother and how she played the piano as well as teaching it.

## Special Family Night

On August 26<sup>th</sup> at 4:45pm we would like to invite one family member (we wish we could invite more) to join us for an evening of live entertainment and dinner. We will be having Gene Zenz from the Toledo Metro area here to provide live music for us followed by a dinner served from Mama Case's food truck! Our evening will take place right on our front porch where we can enjoy the fresh air and some great music. We are so thankful to slowly be able to have more things we can do together. Social distancing and masks are still encouraged by not required since we will be outdoors together. We hope you to see you with your loved one the evening of August 26<sup>th</sup>. Please RSVP by the 24<sup>th</sup> so we know which family member will be attending. We look forward to seeing you!
